

## COVID-19 SOCIO-ECONOMIC RESPONSE TRACKER

A ONE-STOP RESOURCE FOR  
CITY PRACTITIONERS AND STAKEHOLDERS

**ACCESS THE PORTAL  
BY CLICKING HERE**

The international tracker (updated weekly) provides a source of global city examples. The local tracker (updated daily) pulls together all the various South African socio-economic initiatives in one place

The responses can be searched by 12 categories:

| Small Business Support | Municipal and Levy Tax Relief |  
Task Force Partnerships | Transport | Advisory Information | Platforms  
for Donations and Volunteering | Procurement | Production of  
Essential Goods | Rent Relief Delay | Worker Compensation Support |  
Social | Other

We encourage stakeholders to create links to the site, and also to make use of the form and contact email to add any addition city-level responses.
