

# ROAD CONSTRUCTION 13 - 29 SEPTEMBER 2013

## INTERSECTION CLOSURE OF KOTZE AND CELLIERS STREET

The construction for the A RE YENG bus service will soon take place on the intersection of Kotze Street and Celliers Street in Sunnyside, Pretoria.

**Detour to travel north on Celliers Street:** Turn right into Jorrisen Street, left in Leyds Street, left again in Robert Sobukwe Street and right to continue in a northern direction along Celliers Street.

**Detour to travel south on Celliers Street:** Turn right into Robert Sobukwe Street, left in Troye Street, left in Jorrisen Street and right to continue in a southern direction along Celliers Street.

A speed limit of 40km/h is in place and motorists are urged to follow the detour routes as per signage erected in the surrounding area. Traffic heading towards the CBD can expect some delays.

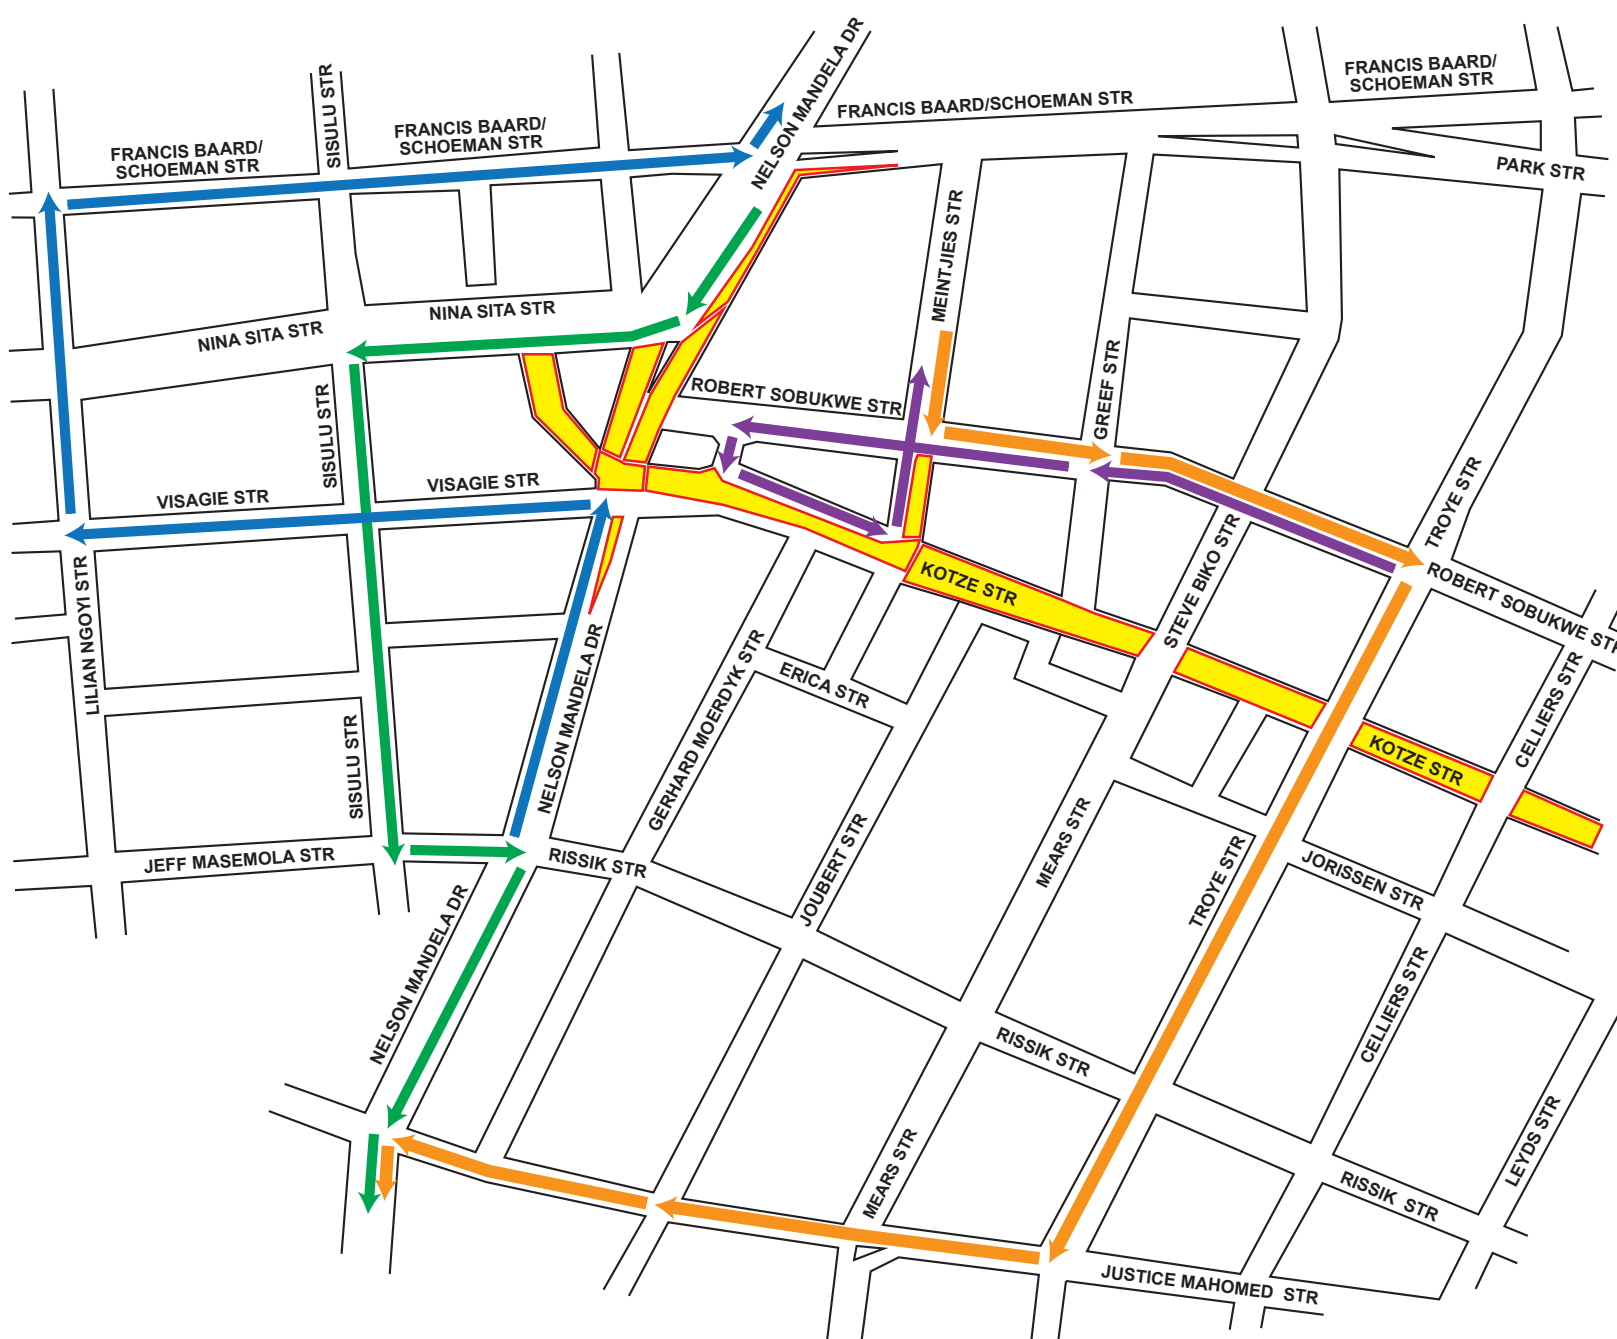

Yellow Safety Barriers have been placed along the route to protect all road users from the construction area.

The affected area will be completed and fully operational on Monday, 30 September 2013.

**RESIDENTS ALONG THE CLOSED INTERSECTIONS WILL ALWAYS HAVE ACCESS TO THEIR PROPERTIES.**

*We thank you for your patience during the construction period.*

## INTERSECTION CLOSURE ON KOTZE AT NELSON MANDELA DRIVE AND MEINTJIES STREET

The construction for the A RE YENG bus service will soon take place on the intersections of Kotze Street and Meintjies Street and the intersection of Kotze Street and Nelson Mandela Drive in Sunnyside, Pretoria.

A speed limit of 40km/h is in place and motorists are urged to follow the detour routes as per the signage erected in the surrounding area. Traffic heading towards the CBD can expect some delays.

**Detour to travel north on Nelson Mandela Drive:** Turn left into Visagie Street, right in Lillian Ngoyi Street, right again in Francis Baard Street and left to continue in a northern direction along Nelson Mandela Drive.

**Detour to travel south on Nelson Mandela Drive:** Turn right into Nina Sita Street, left in Sisulu Street, left in Jeff Masemola Street and right to continue in a southern direction along Nelson Mandela Drive.

**Detour to travel south on Meintjies Street onto Nelson Mandela Drive:** Turn left into Robert Sobukwe Street, right in Troye Street, right in Justice Mahomed Street and left to continue in a southern direction along Nelson Mandela Drive.

Access to the shops, DTI and City Improvement buildings on Kotze, Meintjies and Robert Sobukwe can be gained via the detour loop: on Meintjies Street turn right into Robert Sobukwe Street, left at the City Improvement building, left in Kotze Street and left to continue in a northern direction along Meintjies Street. Driving west on Robert Sobukwe Street turn left at the City Improvement building, left in Kotze Street and left to continue in a northern direction along Meintjies Street or turn right onto Robert Sobukwe Street in the eastern direction.

Yellow Safety Barriers have been placed along the route to protect all road users from the construction areas.

The affected areas will be completed and fully operational on Monday, 30 September 2013.

**RESIDENTS ALONG THE CLOSED INTERSECTIONS WILL ALWAYS HAVE ACCESS TO THEIR PROPERTIES.**

*We thank you for your patience during the construction period.*
