

Commencement of Non-Motorised Transport (NMT) Construction on Nana Sita Street between Paul Kruger Street and Nelson Mandela Drive

The City of Tshwane hereby gives notice that construction on the above section of Line 2A of the A Re Yeng system will commence in the month of August 2014. This is to ensure the upgrade of the sidewalks along the a Re Yeng bus route and are in accordance with the standards of the BRT system. The affected section of Line 2A starts at Nana Sita Street on the intersection with Paul Kruger Street and proceed along Nana Sita Street into Nelson Mandela .

The contractors will begin with the site establishment along this alignment on 01 August 2014, at the Cnr of Thabo Sehume and Nana Streets. Please note that notices will be issued for planned service disruptions.

The contractors will block the boundary lane in each direction for the safety of all the road users . Work will proceed simultaneously per block (Paul Kruger –Thabo Sehume, Thabo Sehume – Lilian Ngoyi, Lilian Ngoyi – Sisulu and Sisulu to Kotze) . The City of Tshwane will also ensure that there is continuous access to all adjacent properties.

The City of Tshwane urges motorists and pedestrians to take note of the temporary road signage during the construction period. The public is also advised to be vigilant of construction vehicles that will also be using the road.

Once the A Re Yeng NMT pavement is in operation, it will be shared amongst , pedestrians , cyclists and people with disabilities .

The construction is envisaged to be completed before the end of the year 2014. The City of Tshwane would like to thank you for your cooperation and patience during the construction period.

The city of Tshwane thank you for your patience.
