CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

- 33.7 Should the parties fail to agree whether the dispute is of a legal, accounting or other nature within 7 (seven) days after the arbitration has been demanded, it shall be deemed to be a dispute of a legal nature.
- 33.8 The arbitrator may –
- 33.8.1 investigate or cause to be investigated any matter, fact or thing which he/she considers necessary or desirable in connection with the dispute and, for that purpose, shall have the widest powers of investigating all documents and records of any party that have a bearing on the dispute;
 - 33.8.2 interview and question under oath the parties of any of their representatives;
 - 33.8.3 decide the dispute according to what he/she considers just and equitable in the circumstances; and
 - 33.8.4 make such award, including an award for specific performance, damages or otherwise, as he/she in his/her discretion may deem fit and appropriate. The arbitration shall be held as quickly as possible after it is requested, with a view to it being completed within 30 (thirty) days after it has been so requested.
- 33.9 The arbitrator's decision and award shall be in writing with reasons and shall be subject to appeal by either party.
- 33.10 Subject to the provisions of Clause 33.9 above, the arbitrators award may, on application by either party to a court of competent jurisdiction and after due notice is given to the other party, be made an order of court.
- 33.11 Notwithstanding the provisions of Clauses 33.1, 33.2, 33.3, 33.4, 33.5, 33.6 and 33.7 above, in the event of either party having a claim against the other party for a liquidated amount or an amount which arises from a liquid document, or for an interdict or other urgent relief, then the other party having such a claim shall be entitled to institute action therefor in a court of law rather than in terms of the above clauses, notwithstanding the fact that the other party may dispute the claim.
- 33.12 The provisions of Clause 33 are severable from the rest of this agreement and shall remain in effect even where this agreement is terminated or cancelled for any reason.
